

The 25 year plan & health: what's happening in Dorset

Rachel Partridge
Assistant Director of Public Health

27th February 2019
Dorset Local Nature Partnership

A photograph of a community health event held in a grassy park. In the foreground, a woman in a dark blue coat and a patterned scarf stands next to a black stroller. Behind her, a white table is set up under a white canopy tent, with several people standing around it. To the right, a sign on an easel reads "FREE HEALTH CHECKS" and "When was your last MOT?". Further back, another white canopy tent is visible, with a blue display board and a table underneath. Two tall, blue and white banners with the letters "CHV" are positioned on either side of the central area. The background features large green trees and a brick building. A semi-transparent blue circle is overlaid on the left side of the image, containing white text.

Helping people
improve their
health and
wellbeing by
using green
spaces.

**FREE
HEALTH
CHECKS**

**When was
your last
MOT?!**

DEFRA said:

- Considering how environmental therapies could be delivered through mental health services.
- Promoting health and wellbeing through the natural environment.

A large, leafy tree dominates the foreground on the right side of the image. Its thick trunk and dense green canopy are prominent. In the background, a grassy field is visible, bordered by a low metal fence. Beyond the fence, there's a green mesh fence, possibly for a sports field. A few people are sitting on benches in the distance. A blue circular overlay is positioned on the right side of the image, containing white text.

Encouraging
children to be
close to nature in
and out of school

DEFRA said:

- Helping primary schools create nature-friendly grounds.
- Supporting more pupil contact with local natural spaces.

Funding to support health and wellbeing for schools

A photograph of a park with a paved path leading through lush greenery. On the left, there are tall palm trees and other tropical plants. On the right, there are more palm trees and a grassy area. In the background, a large, multi-story building with a gabled roof is visible. A group of people is walking along the path, and a woman is walking towards the camera in the foreground. A blue circular overlay is on the right side of the image, containing the text "Greening our towns and cities.".

Greening our
towns and cities.

DEFRA said:

- Creating more green infrastructure.
- Planting more trees in and around our towns and cities.

Making 2019 a
Year of Action for
the environment

DEFRA said:

- Helping children and young people from all backgrounds to engage with nature and improve the environment.
- Supporting the 2019 Year of Green Action.
